- Leadership Development Progression
- Training Changes for WF 2007
- Publication Status and Changes
- WF 2LT Sustainment Training Program
- 2LT Information Briefing
- Training Opportunities for Cadre
- CPDT and CTLT Training Opportunities
- Questions

U.S.ARMY

---

# Purpose

To provide an overview of WARRIOR FORGE 2007 and training issues

# WF 2007 Commander's Imperatives

1. Emplace controls to combat "Mega-Subjectivity" in Cadet evaluation process from SPOTREPs to Final CER.
2. Reduce "Total Control" and increase collective and individual Cadet responsibility.
3. Continue to expand relative and COE variables and flexibility in all training.
4. Ensure that LDAC is nested into BOLC I-II-III developmental continuum.
5. Optimize Cadet leadership opportunities above Squad level.
6. Synchronize and integrate a coherent and evolving operational scenario into the entire WF experience.
7. Ensure the seamless and simultaneous transition of command for both LDAC and Western Region.

ITT  
Fire Spt

## Travel Doc Review Static Load Tng

Forward Ops Base Ops  
Patrolling R  
Victory March

# Reg't'l Run Graduation

## Inprocess Physicals

APFT

CIE

## Regt Activation

CWST  
BRM

Field Ldr Reaction Crse TM Nighthawk  
Hand Grenades SQD STX

# *Grouping/Zero Practice Record Fire Record Day Fire*

## US Weapons

*SAW, M18, M203, AT-4*

# Combatives

## Confidence Day 2

LWRD, SFL, RB-15

# Major Changes

U.S.ARMY

---

## Training Changes:

- No Chem-lites at Land Navigation
- Permanent OIC for each obstacle at FLRC to provide consistency in cadet evaluations – TACs and 2LTs
- 4 New FLRC Obstacles to provide improved mental and physical challenge
- New Land Navigation Written Map Test and Map Sheet
- Cadets may make notes in their TACSOPs; However, inserts, pre-formatted orders or scripts are not authorized

## Other Changes:

- Expect Cadets to receive 2 immunizations: MMR, and Chicken Pox

*Hand carry Shot Records – Recommend getting shots locally if possible*

U.S.ARMY

---

# Major Changes

## Other Changes Continued:

- Branch Orientation will have a Cadet Command Branch Representatives able to brief the accessions process (Rep will be annotated on CC TDA)
- More Cadet Command personnel will billet “Off Post” due to a large contingent of non-FT Lewis soldiers serving as the FORSCOM support role

# Additional Cadre Training Opportunities

---

- Rappel Certification – Same as last year
- CLS Recertification
  - We are working to set up a re-cert program during WF 07
  - 8 Hour optional refresher class – mandatory written/hands-on test
- We do have the ability to get limited slots for Fort Lewis CLS Course. Concept is Soldier attends in conjunction with duty (before or after) at LDAC. Will require close coordination – POC Mr. Sheffield at (253) 967-9862
- If you can get it done locally – best bet

U.S.ARMY

---

# Publication Suspense

- **Cadet Command Circular 145-05** – Posted to Cadet Command and Western Region Web Page mid – November 2006
  - Camp and Field Packing List Standardized with TACSOP and WF SOP
  - 2LT information updated/clarified
- **Warrior Forge TACSOP** – Went to print plant in October. Expect copies to be mailed to BDE HQs beginning mid-November 2006.
- **Warrior Forge SOP** – Draft Copy will be furnished at the Warrior Forge Planning Conference for review. Final copy will be published immediately following the Warrior Forge Planning Conference and distributed at WFC
  - Cadet POV storage plan updated
  - Warrior Forge Packing List

# 2LT Sustainment Training Program

---

- Purpose of the 2LT Sustainment Training Program is to provide refresher training to ensure our newly commissioned 2LTs are prepared for BOLC II. 2LTs will have a Job Book for tracking their progress.
- All Cadet Command 2LTs will complete certain tasks during Warrior Forge while working on the staff or on a committee
- Tasks that 2LTs will complete prior to departure to BOLC II/III
  - APFT and Height/Weight screening
  - BRM (Zero and Qualification)
  - 10km Foot March (90 minutes to complete)
  - Land Navigation Written Test
  - Land Navigation Day/Night Practical Test
- 2LTs that stay at Warrior Forge following their duties on staff or a committee will participate in additional classroom and field instruction on BOLC II Tasks

U.S.ARMY

---

# Additional 2LT Information

- PMS need to brief their newly commissioned 2LTs on the Cadet Command CIR 145-05 prior to them leaving the campus for LTC/LDAC.
- Brief should include:
  - POV travel and responsibilities (**encourage POV travel**)
  - TDY travel and pay vouchers
  - Proof 2LT orders **carefully** and ensure they fully understand requirements and entitlements. Additionally, ensure the orders are correct.
  - Leave/Pass policies

U.S.ARMY

---

# CTLT

- **CTLT**
  - **Slots will be provided JAN/FEB timeframe**
  - **Create OML & identify cadets early now**
  - **CTLT cadets must be loaded in CCIMS prior to non-CPDT cadets to ensure correct LDAC regiment; cadets depart LDAC and go straight to CCTLT**
  - **LDAC APFT & Land Nav failures lose their CCTLT slot and re-filled from LDAC cadets**
  - **LDAC will coordinate travel from LDAC to CCTLT and back to campus/home**

U.S.ARMY

---

# Internships

- CC still identifying which internships are available. Possible Internships and requirements are listed in CCR 145-3-1, Chapter 5.
- Examples:
  - Army Medical Department Internship Program (AMEDDIP)
  - Army Science Board Internship Program (ASBIP)
  - Central Identification Laboratory Internship Program (CILIP)
  - Cadet Internship Program (CIP)
  - Chaplain Internship Program (CHIP)
  - Engineering Internship Program (EIP)
  - Health Facilities Planning Agency Internship Program (HFPAIP)
  - Judge Advocate General Internship Program (JAGIP)
  - Lawrence Livermore Laboratory Internship Program (LLLIP)
- Cadets can apply for any internship they are interested in NOV (Deadline is 1 DEC 06). If the internships come available the Cadet will be considered.

U.S.ARMY

---

# CPFT

- **CPFT**

- **ABN, AAS, MWF, NWF slots will be allocated in CCIMS in DEC.**
- **Intent is for 75% of these slots go to MSII's -25% MS IIIs**
- **LDAC APFT, Land Nav and obst course(AA) failures lose their slot and offered back to school, then to LDAC**
- **Ensure cadets are physically and mentally prepared**
  - **ABN - APFT failures, 4 mi run failures, heat injuries**
  - **AAS - APFT failures, obstacle course failures (Tough One / rope climb), equip inspection**

# Questions?
